### ACCEPTANCE OF TERMS AND CONDITIONS

By accessing this site or the information provided by it or through it, the user accepts the present rules and conditions under his own responsibility.

### RESTRICTION FOR PERSONAL AND NON-COMMERCIAL USE

Unless otherwise specified, the information and services provided by this website are for personal and non-commercial use only. You are not authorized to modify, duplicate, distribute, transmit, display, perform, reproduce, publish, license, transfer, sell or create material related to any information, document, software or service obtained from and / or through ETA BETA website.

### USE OF THIS WEBSITE AND LIMITATIONS OF LIABILITY

The information published on this site is of a general nature and has therefore not been designed to respond to individual needs. Consequently, they do not constitute an opinion of a consulting, economic, technical, educational or legal nature (for individual advice, the user is invited to contact ETA BETA directly or to contact another duly qualified professional). Decisions based on such information are taken under the responsibility and risk of the user.

Some information, as well as the documents available on this site or through it, can not be considered as an authentic reproduction of official texts. Only the texts published by official sources can be considered authentic. Although ETA BETA is oriented towards providing accurate, complete and updated information obtained from sources considered to be reliable, it does not guarantee, expressly or tacitly, that the information provided on the website is accurate, complete and updated.

ETA BETA checks and updates this site from Italy and can not therefore provide any guarantee that the information provided through the site is appropriate or valid in other countries. Who uses the site from other countries, is responsible for adherence and respect of such use with local laws.

We do not allow any use of this site and/or more generally behaviors that may damage or prevent access to the internet by other users, damage/impair the functionality of the site and/or affect the information provided by the site and the software below.

ETA BETA declines all responsibility arising from the navigation of this website, with particular reference to illegal activities carried out by third parties and typically related and interfering with internet surfing such as hacking, spamming, phishing, scamming, stalking, identification or use of IP static or dynamic for any purpose contrary to the law, spread of viruses, spyware, adware and advertising and promotional messages. Therefore the ETA BETA is not liable for personal damage and/or material deriving from the aforementioned activities. The user is however invited to communicate to ETA BETA any anomaly or behavior conducted with illicit or fraudulent methods and transmitted through this website, through the e-mail channels attributable to ETA BETA or through third party sites that link to this site and/or provide unauthorized or untruthful information for illegal, immoral or fraudulent purposes. Such behavior, for which ETA BETA declines all direct or indirect responsibility, will be immediately reported to the competent authorities and the host server of this website.

ETA BETA does not guarantee that the site and/or the server hosting it functions without errors or interruptions.

Although ETA BETA lends the utmost care and attention to the contents of the site and the documents embedded in it, it is not liable for any damages resulting from malfunctions of the site itself, the server hosting it, hyperlinks and documents available on the ETA website. BETA. The user who opens, downloads and/or saves the documents available on the ETA BETA website on his computer, does so under his own responsibility, raising the ETA BETA from any malfunction or personal and/or material damage.

## **INFORMATION, SERVICES AND THIRD-PARTY PRODUCTS**

If the ETA BETA provides hypertext links to third party sites, these links do not necessarily constitute approval for any type of product, service or information provided through the sites themselves. The activation of the link, navigation and use of such sites is entirely under the responsibility and at the risk of the user, and ETA BETA does not accept responsibility or obligations for the content, use or validity of such sites. ETA BETA also declines all responsibility arising from the installation and/or writing of cookies by third party sites on the user's computer.

ETA BETA has not carried out and does not carry out verification activities regarding the truthfulness, accuracy, updating, responsibility, reliability and completeness of the contents of such sites.

ETA BETA does not conduct surveys and does not require personal, family and/or business information through third party websites. If the user receives communications or requests from third party sites containing specific references to the ETA BETA, he is asked to ignore them and to inform ETA BETA in good time, in order to allow them to denounce and prosecute the sources from which the aforementioned communications or requests derive.

## **ONLINE COMMUNICATIONS WITH THIS WEB SITE**

ETA BETA recommends that no confidential information be sent via e-mail for any reason whatsoever (such as account data, passwords, identification data of your bank account). By choosing how to send messages by e-mail, the user accepts the risk that the messages can be intercepted, used for improper use or modified by third parties. With regard to the conscious communication of personal, family and/or corporate sensitive data, specific reference is made to the general information on the processing of the same contained in the ETA BETA website ("Privacy") and to the specific information provided in the sections of the website which provide for the collection of the aforementioned data.

ETA BETA declines all responsibility in case of faulty transmission of data due to the peculiarities or malfunctions of the Internet, of the server hosting the domain of this site or to incompatibilities attributable to the user.

## **USER DATA COLLECTION MODULES**

If to access one of the services offered by this website it is necessary to fill in an electronic form (form) the user must provide personal data, even sensitive ones, the express consent is required at the end of filling out the form itself. In this case, the processing of personal data is governed by the privacy policy on this website, as well as by the privacy statements at the bottom of each form. The user declares under his own responsibility to have read and understood the information and can proceed with sending the form only if he has answered "yes" to the request for consent. This implies acceptance of the information and - if the sending of the form involves the installation and / or writing of cookies on the user's computer - the acceptance of the cookies themselves, considered as "technical". For a better understanding of the cookies policy adopted by our website, please refer to the information on cookies (cookies policy) on this website.

## **CREATION OF PASSWORD PROTECTED ACCOUNTS**

If you need to create an account to access one of the services offered by this website, you will need to complete the registration process specifying updated and complete information in the appropriate form. You will also need to choose a password and a username. It is the user's responsibility to guarantee the confidentiality of their account, username and password. The user will be responsible for any activity carried out using his/her own account as well as any damage that may result to ETA BETA and/or third parties as a result of illegal, fraudulent or improper use. Finally, the user agrees to immediately notify ETA BETA of any unauthorized use of its account or any other breach of protection. ETA BETA will not be held responsible for any personal and/or material damages and losses incurred by the user arising from the use of the password or the user's account by others, regardless of whether the user is knowledgeable.

## **UPDATES OF THIS WEB SITE**

ETA BETA reserves the right to modify and/or update the contents of this website without prior notice. Any personal or material damage, direct or indirect, consequential or incidental deriving from the updating procedures can not in any way be attributed to the ETA BETA.

## **COPYRIGHT NOTICE**

ETA BETA respects the intellectual property of others and expects the same correctness from visitors to its site.
